

Roxy

Roxy is a 1 year old mixed Pit-Bull that lives with Wendy and the rest of the Sembler family. The Sembler family adopted her from Adopt Me Animal Rescue this past summer. Roxy is originally from North Carolina. She likes to sleep on the couch and is a burrower and a cuddler. She would love to sleep on the beds but is not allowed. Her favorite toys are her Kong and squeaky balls. She adores children and playing with them as well as playing fetch, going for walks and running, chasing her tail and playing with her dog friends especially Outlaw. She also enjoys going for rides and being by people.

Roxy is the only pet in the house so she gets as many of her favorite treats, Pup-peronies and Greenies, as possible. When her family is gone Roxy waits by the window so she will see them when they come back and loves to give them kisses. She enjoys going along to the church where Mr. Sembler is the minister while he is working and she will sleep by the piano. She definitely gets along well with the pianist and has even tried to play the piano once or twice. While Roxy is not a fan of water or rain she definitely is enjoying the snow this winter. Roxy did go to obedience training at the Sheboygan Dog Training Club with Wendy and while it was a lot of hard work they both enjoyed it. The Sembler family have realized that Roxy is not a barker.

The doctors and staff at Cedar Grove Veterinary Services look forward to seeing Roxy and the rest of her family for many more years to come.
