

The Pet of the Month is...

---

# Zoey

Zoey is a 6 ½ year old mixed poodle that lives with Ron and Margie Sanford. Ron and Margie adopted her when she was 5 months old and spent the first few years of her life near the Mexican border. Because of this she is bilingual and is able to respond to both English and Spanish ques. She can be found sleeping on either the back of a chair or the couch where she can look out a window and bark at people as they go by. She also loves to sleep in bed with Ron and Margie. While Zoey does not really have a favorite toy she enjoys playing with any small stuffed toy. Her favorite game to play with these toys is keep away and she does not like to play fetch. Zoey does not get many treats but she loves fruits and vegetables with carrots being her favorite.

Zoey always looks forward to going for car rides and she is quite the traveler. She has stayed in Texas, Arkansas, Illinois and Michigan. She travels with her parents and has to be kenneled at times due to their jobs but she always gets along well and plays with the other dogs wherever she is. She also likes going for walks and can high five, sit and roll over. While Ron and Margie do not have any other dogs she enjoys going to Ron and Margie's daughters' house and playing with their dogs. Zoey is a very sweet dog that is happy to see people and gets along well with kids, larger dogs and cats. Zoey likes to chew up Kleenexes but will not pull them out of the box to chew them up. The doctors and staff at Cedar Grove Veterinary Services look forward to seeing Zoey and the rest of her family for years to come.
